

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Director of Health Services

At its meeting held October 28, 2003, the Board took the following action:

28-C

Supervisor Burke made the following statement:

“On October 14, 2003, the Board approved a motion instructing the Director of Health Services to work with County Counsel to provide a report to the Board on the placement of the Radiology and Surgery residents at King/Drew Medical Center who are displaced as a result of the loss of accreditation for these two training programs.

”I know that the Director will be reporting back next week. In accordance with this motion, I would like to know what steps are being taken to identify new training positions for these residents who have made a commitment to caring for the patients served by the County. I want to ensure that the first priority is given to identifying placements at County hospitals, such as Harbor-UCLA Medical Center and LAC+USC Medical Center. These two hospitals should carefully consider each resident on his or her own merit for potential placement at the facility. I know there are some technical issues associated with the ability to increase the number of training slots at County hospitals to accommodate these residents. The Director of Health Services should take all necessary steps to place as many residents in County facilities as possible.”

(Continued on Page 2)

28-C (Continued)

Therefore, on motion of Supervisor Burke, seconded by Supervisor Yaroslavsky, unanimously carried, the Director of Health Services was instructed to include in his report regarding the placement of the Radiology and Surgery residents at King/Drew Medical Center who are being displaced as a result of the loss of accreditation for these two training programs, the steps that would be required to increase the number of Radiology and Surgery resident training positions at Harbor-UCLA Medical Center and LAC+USC Medical Center to accommodate placement of King/Drew Medical Center residents at these facilities.
